# About Uttishta Partners

*Uttishta Partners, is a team of accomplished senior professionals from the food industry, with cumulative experience of 100+ years, of building, scaling and leading multiple National and International Brands.*

*Uttishta is now the exclusive Indian partner to world renowned premium heritage and loved International food brands, ensuring consistent availability and a promise to deliver the best International cuisine experience to Indian consumers across multiple channels.*

*'Uttishta' is a powerful Sanskrit word from the Holy scripture Bhagavad Gita. It means "arise" and lift the mind from the depths of delusion to a higher plane of intelligence. To us it also means the call to rise "Upwards & Onwards" towards good for ALL.*

# Olive Oil

Ybarra is synonymous of experience, innovation and quality. With over 170 years of history, Ybarra is a leading brand in the Spanish and international food sector. Ybarra offers a wide variety of products based on rigorous selection, and modern manufacturing systems with strict quality controls. Expert tasters select the best olive oils at their privileged geographical location in Andalusia. The selection made by our tasters in the main producing areas makes it possible to offer the best quality Olive Oils. We use Hojiblanca Olive variety, with a fruity flavour and balanced taste.
